MESSAGE FROM THE GOVERNOR

The Speaker laid before the House, and had read the following message from the Governor:

Austin, Texas, October 19, 1937.

To the Members of the House of Representatives:

I am in receipt of the resolution passed by the House requesting the Governor to submit the subject of appropriations.

I must most respectfully decline to submit this subject.

This Legislature considered appropriation bills for more than four months during the Regular Session. At the end of that time, after presumably giving these matters careful consideration, this Legislature passed the present appropriation bills. It materially increased appropriations over the past two years, in the face of my recommendations against such increases. It ought to be evident that the Legislature cannot intelligently revise in so short a time appropriation bills which had mature consideration for four months; appropriation bills which have already been acted upon, in many cases contracts having been made by authority thereof.

You will recall that during the Regular Session I repeatedly urged this Legislature to levy taxes to meet these obligations. The House did pass tax bills, but they died in the Senate. At that time those who opposed the tax bills urged as one of their reasons that before we could intelligently pass tax bills we had to know how much the appropriations would be, and how much money would be required.

When the Legislature adjourned in June everyone knew then that it would be called back in September for the sole purpose of raising revenues by taxation to meet the obligations voted by the Legislature and by the people.

We have been here now more than three weeks for this sole purpose.

To submit appropriations would hopelessly clutter the calendar and block the passage of any adequate tax bills; and wholly nullify the purpose for which this session was called.

Under the circumstances I again respectfully, but earnestly, urge the immediate passage of revenue bills to adequately provide for our needy old people, for the blind, for underprivileged children, and for the teachers

with whom we have entered into a solemn contract.

Respectfully submitted,
JAMES V. ALLRED,
Governor of Texas.

CONCERNING CERTAIN ADDRESS

Mr. Johnson of Ellis moved that the remarks by Mr. Westbrook, in addressing the House on a point of personal privilege, be printed in the Journal.

The motion was lost.

EXTENDING INVITATION TO MEMBERS OF THE HOUSE

Mr. Thornton, having been recognized by the Speaker, presented Mr. James Parke, Director of the Curtain Club of the University of Texas, who extended an invitation to the Members of the House to attend the opening performance of the club on November 2.

CONCERNING EXPENSE AC- COUNTS OF PUBLIC OFFICIALS

Mr. Fielden offered the following resolution:

H. S. R. No. 26, Concerning expense accounts of public officials.

Whereas, Numerous insinuations and charges have been made relative to the extravagant traveling expenses of various officials of the State of Texas and their failure to keep a strict, true and accurate account of such expenses; and

Whereas, It is highly important and essential that the traveling expenses of public officials be kept within the bounds of reason and curtailed as much as possible; now, therefore, be it

Resolved by the House of Representatives, That the various public officials be requested and directed to keep the expenditures of public funds for traveling expenses within the bounds of reason and that a strict, true and correct account of such expenditures be at all times kept; and, be it further

Resolved, That this is a warning that failure to act strictly in accordance with the law of the State of Texas in keeping and rendering a true account of traveling expenses will not be condoned by this House.

The resolution was read second time.

Mr. Fielden, by unanimous consent of the House, offered the following amendment to the resolution:

"Be it further resolved, That the Chief Clerk of the House is directed to transmit a copy of this resolution to the head of each State Department and Institution."

The amendment was adopted.

The resolution, as amended, was then adopted.

REQUESTING GOVERNOR TO SUBMIT CERTAIN SUBJECT

Mr. Farmer offered the following resolution:

H. S. R. No. 30, Requesting the Governor of the State of Texas to submit for consideration a matter of providing immediate funds for old age assistance for the months of November and December by way of a loan or other method to meet the allotment already received from the Federal Government.

Whereas, The Federal Government has already sent to the Treasury of the State of Texas the sum of Two Million Four Hundred Sixty Thousand (\$2,460,000.00) Dollars for the payment of old age assistance for the months of October, November and December; and

Whereas, The State of Texas owes the Republic National Bank of the State of Texas for old age pension warrants held by that bank in the sum of One Million Six Hundred Twenty-six Thousand (\$1,626,000.00) Dollars; and

Whereas, It is understood that the said bank desires the funding of said warrants by the first of January, 1938; and

Whereas, If such is done it will take all the available cash to pay old age assistance for November and December to liquidate these warrants now nearly one year old; and

Whereas, Such a condition will bring great suffering to the old people of the State of Texas at a time in early winter that will bring much distress; therefore, be it

Resolved by the House of Representatives, That the Governor is hereby requested to submit for immediate consideration the subject of financing the Old Age Assistance Fund for the months of November and December and January, 1938, that our old people entitled to old age as-

sistance may be properly taken care of; and, be it further

Resolved, That the Chief Clerk of the House is directed to prepare a certified copy of this resolution upon its passage, and present same to the Governor of this State.

FARMER,
REED of Bowie,
HARRELL,
RHODES,
CATHEY,
FIELDEN.

The resolution was read second time.

Mr. Jones of Wise raised a point of order, on further consideration of the resolution, at this time, on the ground that the time allotted for the consideration of resolutions has expired.

The Speaker sustained the point of order.

Mr. Hull moved that the Rule, relative to the consideration of resolutions, be suspended, for the purpose of considering the above resolution until disposed of.

The motion prevailed.

Mr. Metcalfe offered the following amendment to the resolution:

Amend the first resolving clause of House Simple Resolution No. 30, by striking out the word "financing" and inserting in lieu thereof the word "refunding".

METCALFE,
KEEFE.

The amendment was adopted.

Question then recurring on the resolution by Mr. Farmer, yeas and nays were demanded.

The resolution, as amended, was then adopted by the following vote:
